Colo Atl Named Best Colocation & Data Center – Georgia by TMT News

ATLANTA, September 27, 2016 – [Colo Atl](#), the leading provider of carrier-neutral colocation, data center and interconnection services at 55 Marietta Street in Atlanta, GA, announces today that it has been named [Best Colocation & Data Center – Georgia](#) – by Technology Media Telecom (TMT) News. [TMT News' 2016 Telecommunications Awards](#) were created to reward and recognize the service providers and technology innovators in the telecom industry. As winner of the Best Colocation & Data Center – Georgia award, Colo Atl was selected for its dedication, hard work and focus on customer satisfaction. Colo Atl was among several similar companies nominated via the TMT News subscriber base of over 82,000. TMT award winners are chosen by TMT's in-house judging panel of ten individuals, who take into consideration a number of factors such as a company's previous accolades, customer and client reviews, and products and services offered.

“Colo Atl is celebrating its 15-year anniversary this year and this award is a nice feather in our caps as we look back on our successes,” comments [Tim Kiser](#), Owner and Founder of Colo Atl. “Our year-over-year growth has been pretty impressive. I believe our commitment to providing, without fail, the best colocation and data center services at the best rates with a truly personal customer service experience, is a primary reason for our continued success. We're pleased to have been awarded this honor.”

All winners in the 2016 Telecommunication Awards are assured that their success is purely down to merit, as TMT News employs a fully-in house, dedicated research team that examined all the votes and determined the winners. TMT's award judging panel undertakes a series of investigative tasks to build case files on award nominees, and ensures the award nomination process is just and fair.

“The telecoms industry is a vital aspect of our lives, and those who work within it are responsible for the livelihoods of thousands, if not millions, of people,” states Tom Jones, Awards Coordinator at TMT News. “As such I am proud to turn the spotlight on our deserving winners, and wish them every success in the future.”

Founded in November 2001, Colo Atl provides a reasonable, accommodating and cost-effective interconnection environment for more than 90 local, regional and global network operators. In 2016, the company is celebrating its 15-year anniversary of providing service excellence and growth. Learn more about our 15-year celebration promotions and other activities [here](#).

Colo Atl is also an Atlanta Telecom Professionals (ATP) Award Nominee for 2016.
